

segment\_tree::SegmentTree  
::down

```
graph LR; A["segment_tree::SegmentTree  
::down"] --> B["identity"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'segment\_tree::SegmentTree' on the top line and '::down' on the bottom line. The right box is white with a black border and contains the text 'identity'. A dark blue arrow points from the right side of the gray box to the left side of the white box.
