

permutation::test::
test_cycles_impl

```
graph LR; A["permutation::test::  
test_cycles_impl"] --> B["combinatorics::perm"]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text "permutation::test::test_cycles_impl". A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text "combinatorics::perm".

combinatorics::perm
