

segment_tree::SegmentTree
::SegmentTree

```
graph LR; A["segment_tree::SegmentTree  
::SegmentTree"] --> B["segment_tree::SegmentTree  
::build"]; B --> B;
```

The diagram consists of two rectangular boxes. The left box has a light gray background and contains the text 'segment_tree::SegmentTree' followed by '::SegmentTree' on a new line. A straight blue arrow points from the right side of this box to the left side of the right box. The right box has a white background and contains the text 'segment_tree::SegmentTree' followed by '::build' on a new line. A curved blue arrow starts from the top of the right box and points back to the top of the same box, indicating a self-call or a loop.
