

flow::total_flow

```
graph LR; A[flow::total_flow] --> B[utility::accumulate]
```

A diagram showing a flow from a source to a destination. The source is a gray rectangular box on the left containing the text 'flow::total_flow'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The destination box contains the text 'utility::accumulate'.

utility::accumulate
