

graph_theory::test
::test_BFS

```
graph LR; A["graph_theory::test::test_BFS"] --> B["graph_theory::add_edge"]
```

A diagram showing a call from the function `graph_theory::test::test_BFS` to the function `graph_theory::add_edge`. The call is represented by a blue arrow pointing from the left box to the right box.

graph_theory::add_edge
