

segment\_tree::SegmentTree  
::SegmentTree

```
graph LR; A["segment_tree::SegmentTree  
::SegmentTree"] --> B["segment_tree::SegmentTree  
::build"]; B --> B
```

The diagram consists of two rectangular boxes. The left box is white with a black border and contains the text 'segment\_tree::SegmentTree' followed by '::SegmentTree' on a new line. A straight blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'segment\_tree::SegmentTree' followed by '::build' on a new line. A curved blue arrow starts from the top of the right box and points back to the top of the same box, indicating a self-call or a loop.
