

graph_theory::shortest_dist

```
graph LR; A[graph_theory::shortest_dist] --> B[fo]
```

A diagram showing a mapping from a module function to a file object. On the left, a gray rectangular box contains the text 'graph_theory::shortest_dist'. A dark blue arrow points from the right side of this box to a white rectangular box on the right, which contains the text 'fo'. Both boxes have a black border.
