graph LR; A["splay_tree::SplayTree  
::extremum"] --> B["tree::assert"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'splay_tree::SplayTree' on the top line and '::extremum' on the bottom line. The right box is white with a black border and contains the text 'tree::assert'. A dark blue arrow points from the right side of the left box to the left side of the right box.
